

19 2019 Annual Report

Boy Scouts of America National Foundation

The Foundation places you on the leading edge for Scouting impact and program innovation through the Growing Future Leaders campaign. You can give to or through the Foundation and designate your gift to the specific area of Scouting you love.

OUR PURPOSE

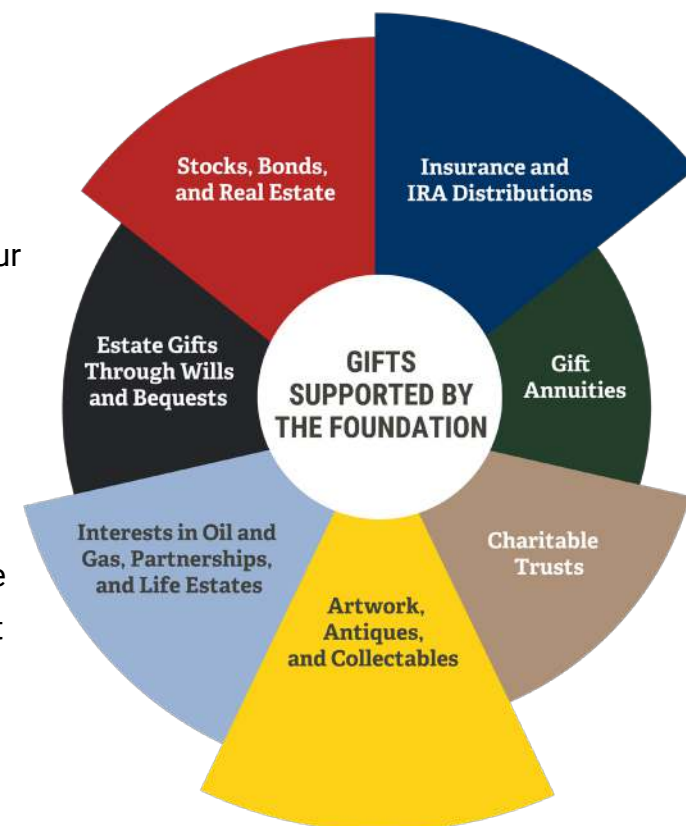

Our primary purpose is to advance the BSA mission by working with local councils and through Foundation Trustees to build relationships with and facilitate major gifts from individual donors. The Foundation is responsible for correlating, encouraging, and facilitating philanthropic contributions for priorities defined by the National Executive Board and the Office of Development. *Growing Future Leaders* is a \$250,000,000, five-year campaign directly impacting Scouting at local and national levels.

GIFT OPTIONS

For many, gifts from assets — not from cash flow — represent the best and most effective gifts. Beyond the impact of cash and checks, we regularly encourage and accommodate a wide variety of gifts.

As a donor to the Foundation, you determine where your money goes and how it will be spent.

The Foundation ensures your wishes and passions are followed and supported. It is also our job to keep you informed on the status and impact of your gift or fund. We believe relationships are far more important than gift transactions.

Our Focus Is On Intergenerational Transfers of Values — Not Just Valuables.
